## Photographic Consent & Release Form

Photographs taken on Selfie Sunday will be uploaded to a website, creating a giant family portrait of Churches of Christ in Australia. By signing this form, you are releasing your image to be used in this way. Photos might be used in other Churches of Christ publications. You may wish to release your image but not your name.

By signing below I release images of me / my dependents taken on Selfie Sunday to be put on the Selfie Sunday website, and potentially other official Churches of Christ communication (eg a state newsletter)
